

2010 COA ULTIMATE National Championship

April 1 - 4, 2010

Performance Order

Preliminary performance times will be posted on Friday, March 19, 2010, after 5:00 p.m. EST. All times are subject to change due to cancellations and additions beyond COA's control. All changes must be brought to our attention by Friday, March 26, 2010, by 5:00 p.m. EST. The final performance order will be updated and re-posted on Monday, March 29, 2010, after 5:00 p.m. EST. Once this final performance order is posted, no changes will be accepted until you arrive in Orlando.

Scheduling Conflicts

We do our best to accommodate special requests or changes involving performance times and practice times. If you have a time conflict, these conflicts must be brought to our attention by 5:00 p.m. EST on Friday, March 26, 2010. However, sometimes the schedule does not permit us to make the desired adjustments to accommodate every team's request. Also, it is very important you assign a separate person to run music for each performance; one coach will not be able to do it all. Teams will perform in the same order on Friday and Saturday.
